In re:
City of Detroit, Michigan
and Emergency Manager
Kevyn D. Orr

Chapter 9
Case No. 13-53846
Judge Steven W. Rhodes

Debtor

**OBJECTIONS TO THE FOURTH AMENDED PLAN FOR THE
ADJUSTMENT OF DEBTS OF THE CITY OF DETROIT**

1. We/I object to the interest rate of return, the Plan of Adjustment is proposing to change it from 7.9% to 6.75%, which is creating more unfunded liability. This is impartial and discriminatory towards all pensioners, objectors, creditors and other people of interests. They can reduce it gradually.
2. We/I object to the recoupment of interest from annuity accounts; it is illegal and it violates the statute of limitations. Interest being taken back from pensioners, objectors, creditors and other people of interests find it illegal.
3. We/I object to the state withholding and refusing to pay Revenue Sharing Act plus interest to Detroit and other cities; the State has violated the unrestricted revenue sharing act from year 2012 to 2014 by refusing to pay over half billion dollars to pensioners, objectors, creditors and other people of interests.
4. We/I object to the State of Michigan violating the Michigan State Constitution of Article 9, Section 24, which states public pension shall not be diminished or impaired.

5. We/I object to the claw back Plan of adjustments that if the plan is rejected, deeper cuts will occur. It is illegal and discriminatory against the pensioners, objectors, creditors and other people of interests, and violates the security and exchange commission.

6. We/I object to use of deceptive practices by recouping funds from federally-funded programs that were not part of the general city funds and had no connections.

7. We /I object to the fourth Plan of the Fourth Amendment of disclosure statement of page 28 states, as explained in the Plan, even if classes 10 and 11 vote to accept the plan, there is a risk that the payments from outside funding may not be made as promised. The plan does not require the city to make up for any missed payments.

8. We/I object to Emergency Manager Kevyn D. Orr for perpetrating a fraud by impersonating an elected official.

9. We/I object to the stated number of miscalculations derived of the recoupment of interest from annuity accounts and trust there to be more than reported. Full exposure and the source of the calculations of such funds must be presented to the pensioners, objectors, creditors and other people of interests. The lack of revealing the composition of the calculation is discriminatory.
